With respect to the non-English language documents, Applicant submits the following remarks:

1. **EP 1 020 135** - This document is believed to be related to U.S. Patent No. 6,309,124, submitted herewith.

3. **FR 1 425 166** - This document is cited in the priority application's French Search Report, submitted herewith.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the U.S. Patent Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
